Preface

Schools in Manitoba - Écoles du Manitoba is a comprehensive provincial directory of all schools, school divisions and districts. The directory includes addresses, telephone and fax numbers, as well as e-mail addresses for schools, school divisions and districts. It also contains the number of teachers and students, and the grade range in each school supplemented by an indication of the programming offered such as English, Français, French Immersion and Heritage Languages.

Schools operating on a semester system are identified as shown in the key, which is printed below. The symbol (H) represents a Hutterian school. In addition, a provincial summary can be found on page 13.

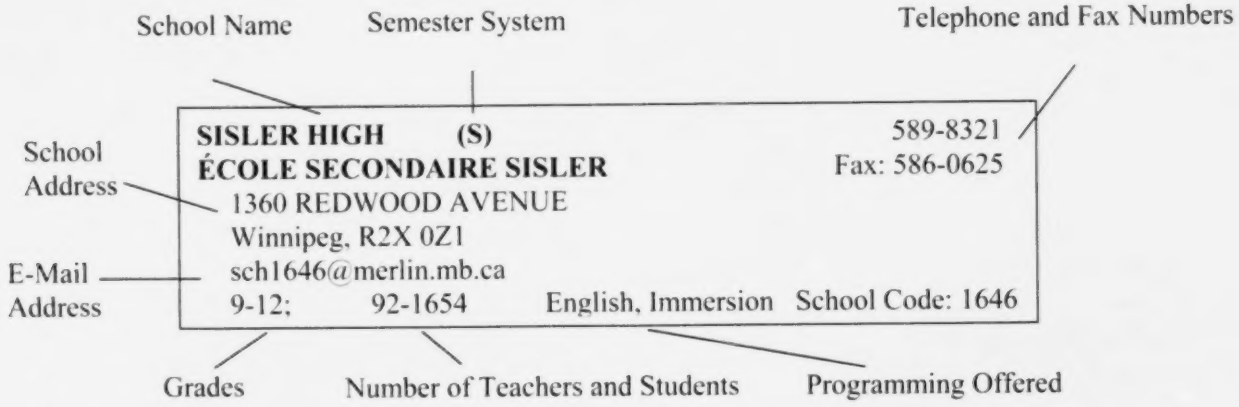
The school code assigned to every school by Manitoba Education, Citizenship and Youth is provided and should be used as a reference number in all correspondence between schools and the department.

To accommodate frequent requests for summary information, school division and district listings include the total number of elementary and secondary schools. Elementary schools are defined as those that offer K-8 programs and, in secondary schools, 9-12 programs. Consequently, the number of elementary and secondary schools does not necessarily correspond to the total number of schools in a division or district since schools offering K-12 are counted as both an elementary and a secondary school.

The primary purpose of this publication is to provide contact information. Therefore, contact information for schools or division resource centers that do not report enrolment is included in this publication but those centers are not included in the count of schools presented in the divisional or provincial statistical summaries.

Additional copies of *Schools in Manitoba - Écoles du Manitoba,* 83855 can be purchased from the Manitoba Text Book Bureau, P.O. Box 910, 130-1st Avenue West, Souris, Manitoba, R0K 2C0; orders can be placed online at www.mtbb.mb.ca by calling 1-866-771-6822 (in Manitoba) or (204) 483-5040 (outside Manitoba). It is also available on line at www.edu.gov.mb.ca/ks4/schools/2007_mb_schools_book.pdf

This directory was compiled by the Education Administration Services Branch of Manitoba Education, Citizenship and Youth from information submitted by schools, school divisions and districts in September 2006 and reflects that data as accurately as possible.



Préface

Schools in Manitoba - Écoles du Manitoba est un répertoire provincial détaillé de toutes les écoles, les divisions et de tous les districts scolaires du Manitoba. Ce répertoire comprend les adresses, les numéros de téléphone et de télécopieur, ainsi que les adresses de courriel des écoles, des divisions et des districts scolaires. Il comprend également le nombre d'enseignants et d'élèves, les années d'études de chaque école, ainsi que les programmes offerts tels que : anglais, français, immersion française et langues ancestrales.

Les écoles qui suivent un système semestriel sont indiquées par la lettre S comme dans la légende qui figure au bas de cette page. Le symbole (H) représente une école huttérienne. De plus, vous trouverez un sommaire des données statistiques provinciales à la page 13.

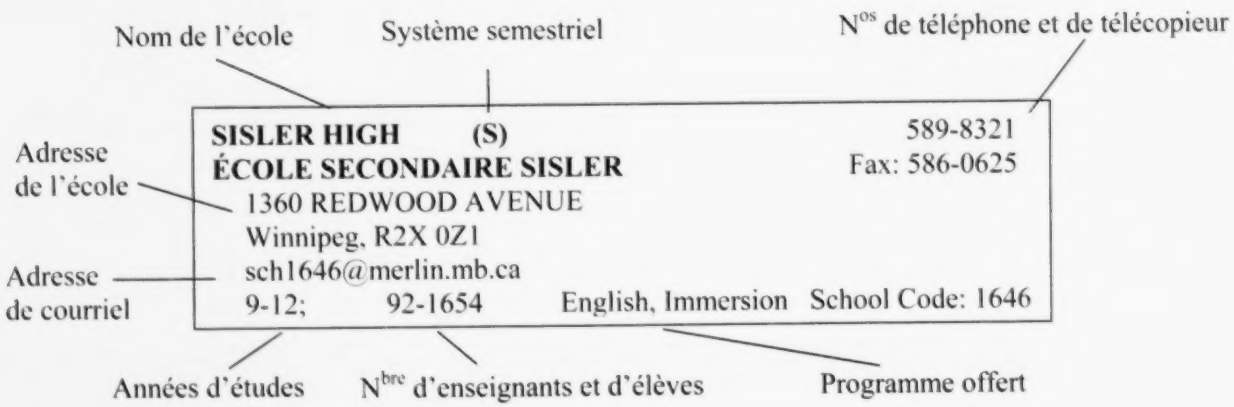
Le ministère de l'Éducation, de la Citoyenneté et de la Jeunesse attribue un code à chaque école. Ce code de l'école devrait être utilisé comme numéro de référence dans toute correspondance entre les écoles et le Ministère.

Afin de répondre aux demandes fréquentes des renseignements récapitulatifs, les tableaux des divisions et des districts scolaires comprennent le nombre total des écoles primaires et secondaires. Les écoles primaires sont des écoles qui offrent un programme de la maternelle à la 8^{e} année et les écoles secondaires offrent un programme de 9^{e} au 12^{e} année. Par conséquent, le nombre d'écoles primaires et secondaires ne correspond pas nécessairement au nombre total d'écoles d'une division ou d'un district scolaire puisque les écoles qui offrent un programme de la maternelle à la 12^{e} année sont comptées deux fois, c'est-à-dire comme une école primaire et comme une école secondaire.

Le but principal de cette publication est d'offrir des renseignements généraux. Cependant, les renseignements généraux pour les écoles et les centres de ressources divisionnaires qui ne nous communiquent pas d'inscriptions sont compris dans cette publication, mais ces centres ne font pas partie du total des écoles présentées dans le sommaire des divisions ou le sommaire des données statistiques provinciales.

Vous pouvez faire l'achat d'exemplaires supplémentaires de la brochure *Schools in Manitoba - Écoles du Manitoba,* 83855, au Centre des manuels scolaires du Manitoba, C. P. 910, avenue 1st West, bureau 130, Souris (Manitoba) R0K 2C0, par Internet au site Web <www.mtbb.mb.ca> ou en composant le 1 866 771-6822 (au Manitoba) ou le (204) 483-5040 (à l'extérieur du Manitoba). Ce répertoire est également offert en ligne à l'adresse suivante : <www.edu.gov.mb.ca/ks4/schools/2007_mb_schools_book.pdf>.

La Direction des services d'administration scolaire du ministère de l'Éducation, de la Citoyenneté et de la Jeunesse du Manitoba a élaboré ce répertoire en fonction des données soumises par les écoles, les divisions et les districts scolaires en septembre 2006 et tous les efforts possibles ont été faits pour en assurer l'exactitude.



NEW!

MERLIN

Partner Program

MERLIN introduced an innovative program to Manitoba school divisions in the Spring of 2006. Known as the MERLIN Partner Program, it includes a bundled service package that translates into major cost savings for school divisions in Manitoba.

More than two-thirds of school divisions representing over 87% of the full time equivalent teachers (FTEs) in the province have signed a 3-year agreement that includes many services they may already have been purchasing on an individual basis. By leveraging the buying power of multiple school divisions and employing a count of FTEs rather than students or desktops, MERLIN is able to provide significant cost savings to the education community in Manitoba.

The Partner Program provides school divisions with Microsoft desktop licensing, access to unlimited Internet bandwidth, spyware and web content filtering, email anti-spam and virus filtering as well as additional on-line services and work-at-home rights.

The MERLIN Partner Program is a 3-year commitment that began July 1, 2006. Staff will be pleased to discuss with non-participating divisions how they may join and benefit from the Program.

For more information, please contact
info@merlin.mb.ca *or visit*
www.merlin.mb.ca

The Partner Program provides many benefits including:

- Tangible savings on software, Internet and content filtering
- Consistency of application
- Simplicity in reporting systems
- Long-term technical and financial planning
- Opportunities to share programming

MERLIN will work towards adding additional services to the Program as needs are identified. In fact, province-wide anti virus software has recently been added to the program.

"Rolling River is very pleased with the announcement regarding the MERLIN Partner Program. The timing could not be better for Rolling River as we were in the process of upgrading the operating and office suites in the division. Because of this announcement, we will be able to do all the upgrades in one year instead of phasing in over a 3 year period. But the real plus is that we can do this at a fraction of the cost that we were budgeting. For Rolling River School Division this Partner Program represents ten of thousands of dollars in savings over the next 3 years. We are very pleased that MERLIN took an active role in negotiating this partnership."

Grant Butler, Computer Education Coordinator, Rolling River School Division, Minnedosa
